Gentlemen: For a number of years, a large portion of the fifty thousand Cyclamen seed that we grow yearly have been purchased from Skidelsky & Company, and our results have been very satisfactory. We have been very successful in the growing of Cyclamen and it has been a money-making proposition for us. We have always been well satisfied with the seeds that we purchased from Skidelsky & Company.

Very truly yours,

ROSES

FOR GREENHOUSE PLANTING

Order Now for Delivery When You Want Them

Briarcliff. This new rose is a sport of Columbia. Briarcliff has all the growth and flowering characteristics of the parent, and is much brighter in color. The bud is longer and the flower not as heavy as Columbia in petalage, but as the petals are longer, Briarcliff when expanded, is a larger rose than Columbia. This variety is free from the objectionable "bull-heads" and malformed flowers so common with the parent. It has taken highest awards wherever shown.

Mrs. F. R. Pierson. A fine red sport of Premier. Grafted plants from 2 1/4-in. pots on both of the above, \$45.00 per 100, \$400.00 per 1000.
